

Speaking Opportunities

ID WORLD Abu Dhabi, September 14-15, 2015

The world's most exclusive platform for senior executives to progress state-of-the-art projects, share experiences, join forces and develop a vision at the highest level

Eighth EMEA Conference on security, mobility and traceability

ID WORLD Abu Dhabi 2015 opens its doors for the eighth time in the UAE at Wise Media's summit on sustainable development, under the patronage of the Deputy Prime Minister and Minister of Interior, H.H. Sheik Saif bin Zayed Al Nahyan.

The conference is endorsed by the Emirates Identity Authority and by the European Commission. The event will be hosted by the prestigious and highly influential government organization, the Emirates Center for Strategic Studies and Research (ECSSR).

Where Meeting the Right People Means Developing your Projects

At ID WORLD Events, internationally experts and key players involved in identification projects address the most relevant issues in the fields of security, mobility and traceability, informing a highly qualified audience on the evolution of core technologies upon which future ID systems will be built.

Over the different tracks of the events, catalyzed networking opportunities will bring together government and industry representatives, CEOs, top managers from the industry, innovators and pioneering end-users. Active participation in the debate offers unique opportunities of interaction.

Call for Papers

How to Submit an Abstract for ID WORLD Abu Dhabi 2015

All individuals with significant professional experience in directing, implementing, modernizing and integrating technologies for identification programs, as well as consulting or management within companies or organizations active in the fields of identification, security and mobility, experts in data collection, card, RFID, biometrics or their applications, are invited to submit an abstract that will be evaluated by the Advisory Board by June 1, 2015 at: conference@idworldevents.com

Contributions must be original, previously unpublished and submitted in English. Abstracts will be evaluated on the basis of content, originality, topicality, clarity and caliber of the speaker. Abstracts should reflect the scope of the event, which is the diffusion of high level information and know-how regarding state-of-the-art technologies in the different segments of automatic identification and its applications. Please note that in the selection process, case histories and end-user presentations will be favored.

The congress aims to be an informative event; as such, commercial presentations will be rejected.

In order to be evaluated, candidates should provide the following data to the Wise Media Conference Team at: conference@idworldevents.com

- speaker's name
- speaker's company/organization and position
- speaker's short Bio/CV (narrative form, approx. 200 words)
- speaker's portrait (high resolution, 300 dpi)
- speaker's full contact details (address, email, telephone, fax)
- title of the presentation (max. 15 words)
- abstract of the presentation (min 200 words, max 300 words).

Acknowledgement will be provided on receipt of every abstract. If no acknowledgement has been received, please contact the ID WORLD Events Conference Team.

Requests for information and assistance on submitting an abstract should also be sent by email to the Conference Team. For further information, please visit our website: www.idworldevents.com
